Health & Safety Policy

Abayira Logistics is committed to the protection of the health and safety of our employees, our customer's employees, and the general public. We believe that incidents and injuries are preventable, and that a job is only well done if it is done safely. We have documented Health, Safety and Environmental policies in place, and have a Safety Management System in operation.

Purpose:

The purpose of this policy is to define for its stakeholders the Company's commitment to Safety, Health, the Environment and Security (SHE&S). Management at all levels of the company is expected to adopt and promote compliance with the tenets of this policy within their respective areas of responsibility.

Our goals are to:

- ◆ Prevent workplace incidents and injuries.
- ◆ Continually improve our health and safety performance.
- ◆ Foster a culture in which all employees, partners, contractors and subcontractors share this commitment to health and safety and the environment.
- ◆ Have the best safety performance in the industry.

Abayira Logistics is committed to;

- ◆ Always manage our operations in the safest manner, by recognizing and assessing hazards and applying effective controls.
- ◆ Make safe conduct a condition of employment.
- ◆ Always comply with health and safety legislation and guidelines.
- ◆ Ensure our managers and supervisors provide the tools, supervision, training and resources needed for our employees to work safely.
- ◆ Ensure our employees and others on Red Transport worksites work safely.
- ◆ Involve all employees in our health and safety management system.
- ◆ Review our health and safety performance regularly, evaluate performance information and communicate performance to all employees.
- ◆ Learn from our experiences to prevent future incidents.
- ◆ Ensure that our formalized health and safety management system remains current with industry best practices.

A person in a dark suit and tie is holding a tablet computer. The background is a city skyline with a bright sun flare. Overlaid on the image are several circular icons connected by lines, representing various services: a location pin, a cargo ship, a shopping cart, a truck, a clock, and an airplane. The text "Our Services" is centered in the middle of the image.

Our Services

Our Solutions

Your transportation needs are an important part of your business, brand and service to your customers. The Abayira Logistics team is ready to provide a solution to your request, whether it's a limited number of shipments, or full range of freight and logistics needs. Our business approach helps ensure products are delivered through a safe, secure and environmentally responsible system.

Whether you need intermodal, trucking, international transportation management, global managed services, or anything in-between, our global logistics experts can provide cost-effective solutions backed with exceptional customer service.

Our clients range from those who work with one mode in one industry, to those who have multiple modes across a number of industries. They are all supported with account management that is second to none and an unparalleled, extensive multi-modal carrier network.

Road Transport

Abayira Logistics boasts of a vehicle fleet of trucks and Lorries. Our fleet meets high international safety standards and our drivers are guided by our policy of 'Safety First'. All our trucks are fitted with GPS tracking systems which enable tracking of cargo as it is moved from one point to another. All our drivers adhere to high road safety standards contributing to incident and accident free, efficient and timely transportation of cargo.
